TAR2210
mancala board with bag
of glass marbles

A best-selling mancala board from India. We've had lots of fun with this board game, that has been around since Ancient Egypt! It is known to be one of the oldest games still played in modern times.

Eco theme board games

We are now the UK distributor for Adventerra Games which are high quality eco board games made in Switzerland. These sold really well before Christmas and with climate change more and more obvious, they're just what concerned parents are looking for, both for their kids to have fun and to help discuss the issues with them and raise their awareness.
