Masala with
gemstones

Boho. organics

Boho organics is a new brand for our fragrance suppliers in India - go for it! These new products come in attractive packaging accompanied by a gemstone that you can keep and place under a pillow or use for meditation (excluding the soy candles with potpourri).

This range includes masala incense, room diffusers, oils, t-lites and soy candles.

Oils

Scents stimulate the olfactory system - the parts of the brain connected to smell - and can make us feel relaxed, calm and even excited. There are approx. 200 drops in a 10ml bottle. Add 3-4 drops to water in an aroma burner to fill your room with subtle fragrance.

Scented soy candles

Boho. organics

What makes the candles stand out is the fact that they are all handpoured. Infused with fragrant essential oils and made with toxin-free natural soy wax.

NEW

Note: Do not burn longer than 4 hours at one time. Dried flowers and smudge in candle wax are flammable and may light up. Be extra careful and never leave the burning candle unattended.

Soy candles with gemstones

Embedded with unique healing gemstones. The stone on top will descend to the bottom of the glass as the candle burns. Once the candle is finished, you can remove the crystals for keeping. You will love their fresh fragrance and how they make the most beautiful little addition to any space.
